DEPARTMENT OF TRANSPORTATION  
OFFICE OF THE SECRETARY  
WASHINGTON, D.C.**

Issued by the Department of Transportation  
on the 14th day of March, 2001

Essential Air Service at

**UTICA, NEW YORK**

Under 49 U.S.C. 41731 *et seq.*

Served: March 19, 2001

Docket OST-2000-7556 -17

**ORDER EXTENDING SERVICE OBLIGATION**

**Summary**

By this order, the Department of Transportation is extending CommutAir's service obligation at Utica, New York, for an additional 30 days, through April 18, 2001.

**Background**

On June 21, 2000, CommutAir, Inc.,<sup>1</sup> filed a 90-day notice of its intent to suspend all scheduled service at Utica, effective September 20, 2000. By Order 2000-9-5, September 13, 2000, the Department prohibited CommutAir from suspending service beyond the end of its 90-day notice period, through October 19, 2000, and requested proposals, with subsidy if necessary, from carriers interested in providing replacement service. As required by 49 U.S.C. 41734, we have extended CommutAir's service obligation for additional 30-day periods, the latest through March 19, 2001, by Order 2001-2-13.

Although we have received proposals for replacement service, it is unlikely this case will be completed before the end of the current 30-day hold-in period. Thus, in accordance with 49 U.S.C. 41734(c), we will extend CommutAir's service obligation at Utica for an additional 30 days, or until replacement service actually begins, whichever occurs first.

This order is issued under authority assigned in 14 CFR 385.12(k)(5).

---

<sup>1</sup> At the time of CommutAir's filing, it operated as USAirways Express. As of December 2, 2000, the carrier has operated as Continental Connection.

**ACCORDINGLY,**

1. We require CommutAir, Inc., d/b/a Continental Connection, to maintain air service at Utica, New York, for an additional 30-day period through April 18, 2001, or until a carrier capable of providing reliable replacement service actually begins service, whichever occurs first;<sup>2</sup>
2. We direct Commutair, Inc., d/b/a Continental Connection, to retain all books, records, and other source and summary documentation to support subsidy claims for payment, and to preserve and maintain such documentation in a manner that readily permits its audit and examination by representatives of the Department. Such documentation shall be retained for seven years or until the Department indicates that the records may be destroyed. Copies of flight logs for aircraft sold or disposed of must be retained. The carrier may forfeit its compensation for any claim that is not supported under the terms of this order;
3. Docket OST-2000-7556 will remain open until further order of the Department; and
4. We will serve a copy of this order on the County Executive and Airport Manager of Oneida County, New York, the New York Department of Transportation, and CommutAir, Inc., d/b/a Continental Connection.
